Contract Rider

This Rider shall become part of the engagement contract between _____, (Purchaser) and **MWS Music**, (Performers) for the performance scheduled on _____, 2009.

Accommodations

Three doubles and one single room required at a reasonable quality (Super 8 or better) hotel/motel for day of show.

Stage Size

A level stage of solid construction (Free of humps, bumps, or floor sores), skirted on front and sides with black cloth, and built to the following specifications:

Minimum size - 24' wide, 16' deep, at least 3' high.

VERY IMPORTANT – OPENING BAND - VERY IMPORTANT

In the case of an opening band the promoter will supply a “house drum kit”. We have sustained hundreds if not thousands of dollars damage from inexperienced or uncaring “drummers” who have scratched, dented and broken our custom made kit.

Also, our sound man is paid to run our show only. If you require his services a fee of \$100 in cash will be paid to him before he sets up and mixes the opening band.

Drum Riser

A drum riser 6' x 8' wide (preferably 12"-18" in height) should be placed upstage centre. (back of stage and centered)

Power

When band is supplying production, 2 separate lines, 220 Volt with 50 amp breakers or one 70 amp line with stove plug end located on or immediately beside stage.

Loaders

When production is not supplied, Employer will provide 2 physically able and sober individuals for load in and load out of sound and lighting production.
